## How to install the LINEA Locking Clip

### To Install:

1. Place your accessory onto the slatwall in the desired position.
2. Insert the LINEA locking clip into the top slot of your LINEA accessory.
3. Lift the accessory upwards, then press the locking clip to secure the accessory in place.

### To Un-Install:

1. To remove the accessory when locked, free the locking clip by hand or place the thicker side of an open wrench under one side of the locking clip to gently leverage the clip open.
2. Once the clip is disengaged, shift it back and forth until the clip is free.
3. Remove accessory from slatwall, reposition as desired, and repeat installation steps.

Organization Solutions	LINEA is crafted with a modern approach to providing stylish and secure organization.
Locking System	Easily and quickly locks accessories in place on your Garage Living slatwall system. Withstands shifting and sliding when removing and replacing personal items.
Style	Modern + Sleek
Material & Finish	Durable metal with granite matte sandtex powder-coated finish.
Added Protection	Heavier belongings rest on a bumper-like, safeguarded surface. This rubber-coated plastisol finish adds extra grip, a layer of protection when storing or removing your items, and performs as a sound-dampening buffer.
Compatibility	All Garage Living Slatwall
Product Innovation	With innovative products frequently being added to the LINEA line of accessories, ask your Design Consultant about new releases.
