

## Heavy-Duty Storage Solutions

Our specialty storage racks provide heavy-duty storage solutions for large and heavy items, such as golf bags, firewood, and tires. For bigger items that need to be readily accessible, we have open shelving solutions that are wall-mounted and free standing. Our overhead storage racks are the best way to organize and store bulky seasonal items that need to be kept in the garage.

### storage for seasonal items

**GOLF RACK**

the bottom shelf can hold golf shoes and is ventilated.

**OVERHEAD RACKS**

maximize your garage ceiling space.

**WALL MOUNT HOSE REEL**

**PARALLEL MOUNTING**

**PERPENDICULAR MOUNTING**

rust-proof aluminum alloy construction

10 year hose reel warranty

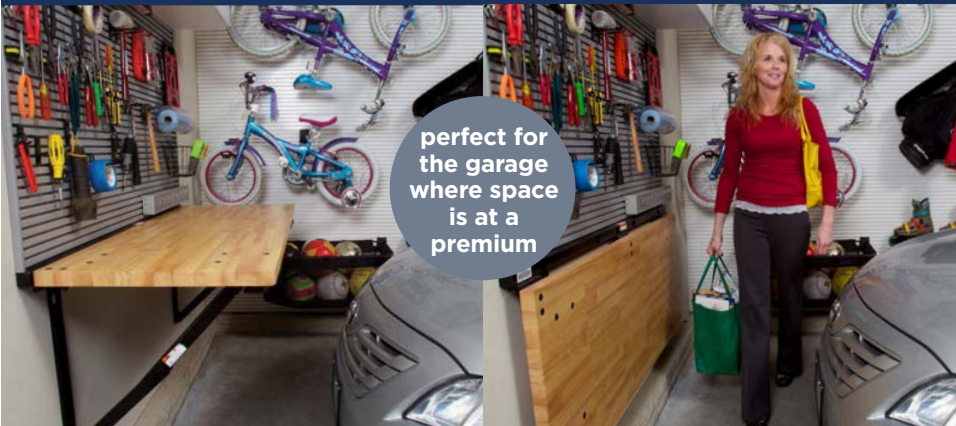

**INDUSTRIAL RACK**

## Hard-Working Storage Solutions

In addition to heavy duty storage solutions, Garage Living also carries a variety of hard-working slatwall accessories. The industrial hook, for example, supports heavy items such as lumber, a canoe or kayak. Ask about the horizontal and vertical bike hooks and more.

### FOLDADWAY MAPLE WORK BENCH

perfect for the garage where space is at a premium

### VENTILATED STEEL SHELVING
