

SPECIALTY ORGANIZERS

Heavy-Duty Storage Solutions

storage for seasonal items

Our specialty storage racks provide heavy-duty storage solutions for large and heavy items, such as golf bags, firewood, and tires. For bigger items that need to be readily accessible, we have open shelving solutions that are wall-mounted and free standing. Our overhead storage racks are the best way to organize and store bulky seasonal items that need to be kept in the garage.

GOLF RACK

the bottom shelf can hold golf shoes and is ventilated.

OVERHEAD RACKS

maximize your garage ceiling space.

WALL MOUNT HOSE REEL

PARALLEL MOUNTING

PERPENDICULAR MOUNTING

rust-proof aluminum alloy construction

10 year hose reel warranty

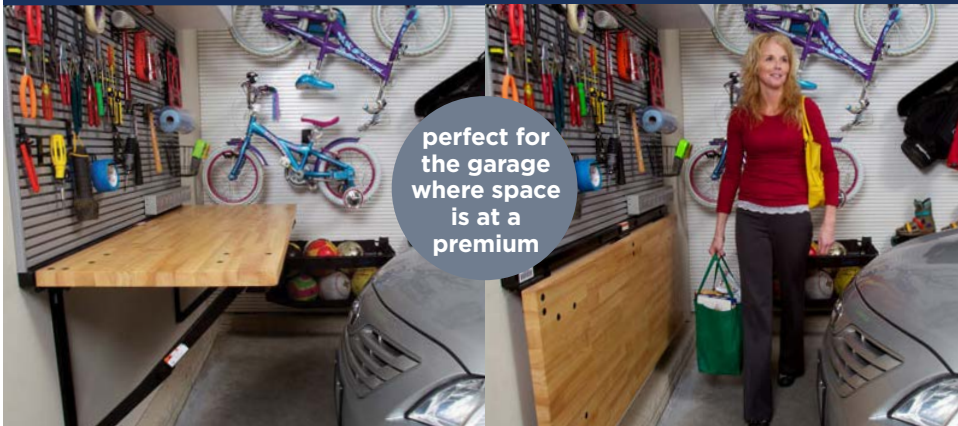

INDUSTRIAL RACK

Hard-Working Storage Solutions

In addition to heavy duty storage solutions, Garage Living also carries a variety of hard-working slatwall accessories. The industrial hook, for example, supports heavy items such as lumber, a canoe or kayak. Ask about the horizontal and vertical bike hooks and more.

FOLDADWAY MAPLE WORK BENCH

perfect for the garage where space is at a premium

VENTILATED STEEL SHELVING

industrial strength wire shelves can be mounted to slatwall, wall studs or concrete.

LED LIGHT

DOOR BUMPER

prevents dents and scratches

TIRE RACK

available only in granite color.

GL Specialty Organizers only available at select locations.
